

Reaching the whosoever will of:

# Hungary

April Prayer Letter 2014

Dear Friends,

## People

March kept us busy presenting Hungary in Kentucky, West Virginia, and Ohio.

God allowed us to be part of the mission's conference at Calvary Baptist Church in Troy, OH. We had a sweet time of fellowship with Pastor Jason Barclay and his wife Sarah. Brother Walter Stevens, missionary to the Roma of Europe; Kevin and Anna Ruwersma, missionaries to England; and Jared and Angela Williams, Ambassadors Across America were the other missionaries at the conference.

Travel has been safe with only a few memorable events. We had to make an extra pit stop for a shower at a Pilot after the youngest child, threw up in the van. Who knew she had motion sickness?

## Principle

Jonah 3:7 *“And he (the king) caused it (the news of God's grace) to be **proclaimed and published through Nineveh**”* This is the result of a man that followed God's leading to go to a nation that wanted nothing to do with God. Jonah preached an eight word sermon and a city and nation was spared from the judgment of God. This king as a national was able to reach his people with the good news of God's grace. This is our goal as we prepare to go to Hungary and reach nationals so they can in turn reach other Hungarians with the gospel of Christ.

## Prayer

Thank you for all your prayers.

- God has provided a place for us to live for the summer.
- Praise God for his unending provisions.
- We ask for prayers that souls in Hungary will come to Christ.
- Our calendar still has openings for meetings to be scheduled, and we are praying for laborers to be called to come to Hungary with us.
