February Prayer Letter 2015

The Lord has been so good to us these past several weeks. Just before Christmas we were able to present Hungary in Yonkers New York in a Spanish church, they voted right then to take us for support. I am so grateful for this. Also in December I was able to spend a few weeks with a church in Ghent, New York. They have been without a pastor since last June and the Lord allowed me and my family to be a blessing and encouragement to them. I was able to lead them in their first candle light Christmas Eve service. There was a great turn out from the community. Praise the Lord they also will be supporting us to help reach Hungary for Christ.

January we were in GA and FL presenting Hungary with several churches. I have enjoyed all the weather updates from the North I pray that you have enjoyed the snow. God has used my limited computer talents in helping Missionary Walter Stevens. I was able to spend several days with him and his family towards the end of January. He is a gypsy preacher reaching his own people with the gospel. Through much transition God has allowed him to begin ROMA an outreach mission board to aid in the greater reaching of gypsies and other unreached people groups around the world. He is a blessing to me as a more experienced missionary and preacher; I learn so much from him and am thankful for him.

We are looking forward to a full spring calendar traveling around sharing the great need in Hungary. Please pray the Lord will go ahead of us and prepare the people and services that he may receive the glory for more churches to partner with us in the great task of reaching Hungary. Please pray for our upcoming trip to Hungary in June. There is still room for others to join us. Reachinghungary.com has more information about this trip. We are going to help spread and share the good news of Jesus through John and Romans distribution.

2 Cor 10:17 "But he that glorieth, let him glory in the Lord." The Lord has saw fit and to be gracious to us to bring us the 25% mark of deputation. We give the praise to God for this. I thank personally every church and individual that gives so that we may carry out the commission of Christ in Hungary.

#### Laura's Corner

I like deputation. Sometimes when we travel, it seems really short even when its hours because I'm so used to it. I get to play with my tablet in the car, but when it's dead, I like to do word searches and crossword puzzles. I like meeting new people but it's hard to leave friends behind. Sometimes we meet up with friends again at a different church! I like staying in prophet's chambers best, but I sometimes like to stay in hotels because of the welcome mints. -
