

# Reaching the whosoever will of: Hungary The Mann Family

August 2015

Dear Pastor and Friends,

I often refer to deputation as a trail, even on social media like Twitter: #deputationtrail. A trail is where you explore new things and meet new people. We recently were in the Upper Peninsula of Michigan, Hamburg, NY and Odenton, MD where both of these things happened. Amongst the new explorations included trails to walk on and paths that led to waterfalls, lakes, streams, beaches and even forts. It was a refreshing time for my family to spend together. But a people trail was blazed as well. I met some new friends along the way and reacquainted with old friends. Our paths crossed right in the midst of life: some joyful times and some sad times. Some friends were at the cross roads of life decisions in serving Jesus. Others were tired from their path. Proverbs 27:17 says *“Iron sharpeneth iron, so a man sharpeneth the countenance of his friend”*. I pray that along the deputation trail, I can always remember to sharpen and be sharpened by the friends that I make.

August leads us into busy 5 months of meetings. We have them scattered across the east coast and mid-west. Please continue to pray for churches to hear the need and respond to the need for the Gospel in Hungary. I was just there the end of June for a visit and met a man who traveled for 2.5 hours by train and bus to go to church because where he lives, there is none closer. He lives in a city of about 100 thousand people and there is no Gospel preaching church there. Many churches have joined us lately and we praise God for them. We have about 130 more churches to present in at the pace we are going, however, I believe that we have already presented in enough to be on the field. We thank the Lord for your prayers.

We added an 8 foot flag to our display table.
