### People

Senja and I had the privilege of spending time in Hungary this past July. We were able to meet the people making up some of the few churches in Hungary. I had plans of interviewing and recording these people, but the Lord did not allow this. While in Budapest, we had many things stolen from us. You can read about that on my website [gothyway.org](http://gothyway.org). It is people like those thieves that we are going to Hungary. Not so they can steal from us again, but that just maybe they can hear the gospel and not have to steal again. Senja and I spent a lot of time in Debrecen, the city we plan on living in once arriving on the field. Getting to know the city was a joy, with all the great shopping, great food, beautiful parks and buildings; however, it is the people of the city that drives us to move there. There are 300 thousand people in this city, the need for labors is overwhelming. It was an honor to preach and teach five times during this visit to Hungary.

### Prayer

In our last letter, we asked God to provide the needed funds for homeschooling our three children. It was all provided!! Praise God! Senja and I look forward to the unique opportunities deputation and travel will provide for our "home" schooled kids. Please pray for them. Micah, 5th grade; Laura, 3rd grade, and Heidi, 2nd grade. May they draw closer to the Saviour though our diligent teaching. Pray with us that churches will get behind us so we can quickly get to the field. There is so much work to be done in Hungary, it cannot be accomplished without the support of the local church partnering with us to accomplish the goal of the Great Commission in Hungary.

### Principle

Ps 135:5 "For I know that the Lord is great, and that our Lord is above all gods." This was penned so many centuries ago and yet remains true today. True for me and true for you. Our burden is to tell the ten million Hungarians that may not know the same Lord that we know, "that the Lord is great, and that our Lord is above all gods". Who will go and tell them of the greatness of the Lord? Jesus tells the man who had the legion of demons, "Go home to thy friends and tell them how great things the Lord hath done for thee,". I am greatly looking forward to the day when we can go to Hungary and share the great things the Lord has done for me. Yet, the truth of the matter is, that the greatest need for the gospel is to the people that we meet each and every day.
