Dear Pastor,

I am the pastor of Calvary Baptist Church in West Alexandria, Ohio and I am writing this letter on behalf of Jason Mann, Missionary to Hungary. Bro. Mann is sent out of our Church and has been serving in Hungary for the past several years. He has helped establish one Church and strengthen an existing Church during this time. He is currently completing a year of language school at BBTI in Bowie, Texas and will be returning to Hungary on May 27th. Bro Mann is being led to Nemesszalók Hungary where he will have access to minister to populated cities within 20 minutes each direction.

Bro. Mann has searched the area for apartments and housing and he and I believe it would be best at this time for him to purchase a house instead of renting. He has found a potential house that is very reasonable but in need of much repair. Bro. Mann has proven his ability to remodel existing structures. During his last year in Hungary, he had the opportunity to help an existing Church completely remodel a portion of their building to make it a usable space. I am confident he will be able to take on such a project and bring it quickly to completion under cost and provide a comfortable place to live and minister in and out of at approximately the cost of 3 years' worth of rent.

My request to you is to pray about helping to offset this upfront expense for the Mann's housing in a one-time love offering of \$500.00. Our Church will be contributing to this expense and would greatly appreciate you considering helping out as well. As you already know the Mann's are a good missionary investment for your Church and this will help provide needed stability for the family and their ministry.

If I may humbly ask that your love offering would be sent out in the next 4-6 weeks to expedite the Mann's need of housing that would be a tremendous blessing. Please send the additional support offering to:
