Missions 101

Missions in the most simple of words is the Great Commission. Go, Tell, Train, do it again. In it's most simple form this is missions. Missions is not around the world only but around your block as well. It was as a young boy that this became true for me. As early as 5 I remember going on door to door visitation. Then it meant spending time with my dad and pastor and eating doughnuts! While I remember this, I remember even more my Pastor asking every one that answered the door, "If you died today, would you go to Heaven?" We were going, and while it is many years later, this question is still the only question of importance. Go, we did, Tell we did, some were saved after hearing the gospel, some rejected. However, missions is more than this, the complete mission of missions, is the going, telling and training, to do it again.

Same new work, New Name

As the preparation for the new building continues and the Lord has provided \$2385 of the \$3000 needed to transform the old bar into a suitable place for the church it has also been decided to change the name from Cornerstone to Grace Baptist Church. After considering further the name it is felt that this is a better fit for the new work. Named after my sending church, Grace Baptist Church of Middletown Ohio.

What is next for the Manns

-We are taking the next few weeks to raise some additional support. If you would like to have my family present the need for the Gospel in Hungary with your church, please contact me. We will be in the states from March 13th till June 9th.

- There are several Pastors coming over this year to help spread the gospel seeds, preparations and planning are going on now, if you would like to help, please let me know.

- September 7-10th there is a huge festival here in Hungary, I am planning on using this venue to hand out thousands of tracts. Please pray about helping with this. It will take many people and resources to do this. More on this to come.

Spring is Here!

As Spring is here in Hungary, the diesel prices are increased as the farmer goes into the muddy fields and begins to turn over the dirt and plant seeds. The seeds they plant now will take time to grow and mature until the harvest is ready in the fall, but it is the work of today that matters. Work. What a dirty word, but is the work of planting the gospel and all involved in

this, that we prove our love and faith to the Lord. Heb 11:6 says "But without faith, it is impossible to please him:" and James says, " Even so faith, if it hath not works, is dead," So it is an easy thing to understand that because we LOVE GOD and want to please him that we work for him. His work is the work of the harvest, the planting of the seed of the Word of God.

Gospel Tracts are coming!

I have been working with several different ministries in building up the "seed barn" of gospel tracts. One man, that I have never meet is buying and sending over 10,000 tracts. Praise the Lord for this! Bearing Precious Seed in Milford is in the process of printing 50,000 John and Romans, and other ministries are all working on printing the gospel in tracts and booklets to be passed out here in Hungary. Praise the Lord for filling up the BARN!
