

Reaching the whosoever will of:

# Hungary

*The Mann Family*

October 2014

Dear Pastors and friends,

God has been overly good to us these past few months. We have driven well over 7000 miles without any trouble! Praise God for this! We have now presented in over 60 churches and are seeing God's hand in partnering us with many of them to reach Hungary for Christ. In September, alone, we have been in church 25 of the 30 days in the month. To be the Glory for a full and productive schedule!

We have started the homeschooling process; and while we have hit many obstacles along the way, we are starting to get a handle on it. As a family, we are loving our out of classroom experiences, such as when we took them to visit the *Fort Worth Museum of Science and History* for a day of learning and fun.

We are so thankful for the many prophet chambers we have been able to stay in. One of them is located at New Life Baptist Church in GA. The pastor allowed us stay here for several days and the set up they have was such a blessing to my family.

I was reading the other day in Isaiah 53, it says, "he shall grow up before him as a tender plant". This got me thinking about the absolute humility of humbleness that Jesus had to come to earth. This message and the reason that Jesus came, to hang on the tree that once was itself a tender plant, must be proclaimed to all nations including Hungary. May God help us to achieve this level of tenderness as a new plant.

Pray for us to be able to quickly raise the needed support to get to the field. Pray that we stay healthy in the upcoming flu and cold season that we be not hindered in sharing Hungary with churches. God bless.

Jason and Senja Mann  
Missionaries to Hungary
