

Reaching the whosoever will of:

# Hungary

*The Mann Family*

Dear Friends,

February, 2014

My home church is using three words to emphasize their passion and focus for 2014. They are People, Principle and Prayer. I would like to carry this over to the call that God has given my family in reaching Hungary for Christ.

## *People-*

January was a busy month for meeting people. We started the month out at the Our Generation Summit, hosted by Vision Baptist Missions. This is a once a year gathering of people from around the globe to start the year out with the exclamation point of missions! Jason and Senja met many other missionary's and was encouraged by seeing their Christian walk and testimony. Jason was able to go to a pastors meeting in Eaton, OH. He meet many new pastors and shared the great need in Hungary with them. Praise God for this chance.

## *Principle-*

Mark 4:3 Hearken; Behold, there went out a sower to sow:

This is the goal of missions, to sow the seed of the Word of God. Will you please help the Mann's in getting to the field of Hungary? There are many things that come up along the path of life, but the most important is spending time in witnessing for Christ spreading the seed. As we raise the funds needed to accomplish the task, I ask that you pray about and share with others the urgent need for a sower to be sent to Hungary.

## *Prayer-*

Please pray for the daily spiritual encouragement of our family. As we prepare for the field, it seems the devil will find any and all areas of life to poke and prod us into discouragement. I often read Rev 20:14 to be reminded of the final fate of Satan. The truth of this is that he will be taking many souls with him. These people have been purchased with the blood of Christ, and He deserves the fruit of His suffering. May we quickly raise the needed funds to get to the Hungarians with the good news of Christ!
